  - Example 4: Adult 1 volunteers 4 hours (\$40) of time and Adult 2 collects \$600 (\$60) in donations towards the Luau Dinner and Chicken Plop. The maximum of \$100 is earned for each student in the household.

#### **How to Use Funds**

Once earned, funds can be applied for anything pertaining to FFA during the current school year.

#### **How Funds are Allocated**

Our budget sets aside a specified dollar amount each year to be distributed to the SIP. This year the budgeted amount is \$2,300. Funds are awarded on a first come, first served basis. Once all funds are distributed, no additional funds can be earned during that school year.

#### **Conditions of the Program**

- The parent/guardian must execute the Supporter Incentive Program Contract to be eligible to participate (see back for more information).
- If a student leaves the program, they forfeit all remaining funds earned by their parent/guardian.
  - Funds not used will be returned to the Supporter Incentive Program.
- The funds earned by the parent/guardian must be used prior to the beginning of the next school year.
  - A request form must be submitted by the parent/guardian to the BHS FFA Supporters Secretary.
  - The BHS Ag Department will receive the approved funds directly, which will be set aside for the specific student and event/activity as noted in the request.
- The student must be enrolled in an Ag class and be in good standing.
